VICE PRESIDENT STEPHEN LUKE

PRESS STATEMENT ON COVID-19

My Fellow Draculians,

As you know, there is an ongoing issue worldwide, regarding COVID-19, aka coronavirus. This pandemic has caused mass panic in grocery stores and health facilities. The Draculian Government takes this matter seriously and encourages all people to follow their local law and health advisories.

To slow the spread of the virus, the Center for Disease Control recommends the following:

- Stay home when you are sick
- Call your health care provider's office in advance of a visit
- Limit movement in the community
- Wash your hands and avoid face touching
- Limit your number of visitors

Reported illnesses have ranged from mild symptoms to severe illness and death for confirmed coronavirus disease (COVID-19) cases.

The following symptoms may appear 2-14 days after exposure:

- Fever
- Cough
- Shortness of breath

Please self-quarantine for two weeks if you feel you have been infected. If symptoms persist or worsen, contact your primary health practitioner.

Best Wishes,

Dmitri Howie

Dmitri Howie, President
Commonwealth of Dracul
