Revised 01/27/2019

Thank you for considering Draculian Citizenship

We'd like to take this opportunity to thank and welcome you to the Commonwealth of Dracul! Although you might not be a citizen at this moment, you're taking the beginning steps at receiving citizenship!

Dracul prides itself in its history, many ethnicities and most of all, its professionalism. To be considered for citizenship, you must pass the entry level citizenship test. The test consists of anywhere between 10-20 questions, which will all be on this study guide. You are more than welcome to use this guide; however, we recommend you try your best to remember the material on your own, and test without it.

If you have any questions regarding this exam, the material, or any general questions, please contact services@draculgov.com for assistance.

Thank you for considering becoming a part of Dracul. God Bless.

Sincerely,

A handwritten signature in black ink that reads "Dmitri Howie". The signature is written in a cursive, slightly slanted style.

Special Events/Dates

May 9, Victory Day: In April of 2018, a small group of Draculian Citizens had a disagreement with the government over the treatment of religious citizens. The small group voiced that the religious peoples should be targeted, imprisoned, and killed by the Dracul Intelligence Agency. The Federal Government did not take kindly to this proposal and prohibited the small group’s attempt at singling out religious peoples. The small group eventually formed on **April of 2018**, under the name of “**Dracul Confederacy**” and attempted to take control of the Capitol in North Dracul. By May 9th, the small group had eventually disbanded and were declared “defeated” by the Federal Government. The leader of the Group, **Al Fare**, was banned from the community and had this citizenship revoked.

Dracul Flag

The Flag of the Commonwealth of Dracul is a symbol of freedom and liberty to which Draculians pledge their allegiance by standing at attention, facing the flag with their right hand over the heart, and reciting:

"My allegiance to the flag of Dracul, is for the republic, which stands for everyone. A nation protected by God, indivisible, with liberty and justice for all."

The flag consists of 3 alternating white, red and blue stripes that represent the nation, and a gold dragon, representing the Order of the Dragon.

The colors on the flag represent:

Red: valor and bravery

White: purity and innocence

Blue: vigilance, perseverance, and justice

Please note: According to Dracul's suggestion, when a Draculian flag appears worn or otherwise no longer appropriate for display, it should be destroyed in a dignified way, preferably by burning.
